Dear Andrea

My wife and I wanted to let you know how pleased we are with our new wood flooring. The quality of the workmanship and instillation was/is outstanding. Your folks were prompt, professional, courteous and efficient. The instillation was done right and when they left there was not the first speck of dirt or dust left behind. We could not be more pleased.

If you ever need a reference beyond the beautiful showroom that you have, please feel free to show folks this letter or give them our name and number. I would not hesitate to recommend you to anyone looking for quality wood flooring.

Thank you for a job truly well done.

Sincerely
