*"We Build It Better!"*

April 5, 2006

TO WHOM IT MAY CONCERN:

It is my pleasure to write this recommendation for Feil Inc. Wood Flooring. Our company, which builds large custom contract homes on Sanibel and Captiva Islands, has used Feil for all its wood flooring needs for the past several years. We, and our clients—who are accustomed to excellent workmanship and service—have found Feil to be dependable, timely, professional and courteous. We consider ourselves fortunate to have added them to our subcontractor list.

If more information is desired, please feel free to contact me.
